Federal laws require universities to annually compile and report crime statistics and other information for their campuses and certain other areas. The University's 2011 [Annual Security Report](#) has been prepared in compliance with the requirements of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1990. Also included in this report is information compiled and completed in compliance with the 2008 Higher Education Opportunity Act (HEOA), addressing several issues, including fire safety in on-campus housing. This report is in furtherance of the University's overall effort to provide important information about personal safety to members of the JCU community.

Beyond the legal obligations noted above, please note that Ohio law mandates anyone with knowledge of a felony offense being or having been committed, to report to a law enforcement authority. The University's Campus Safety Services is constituted as a law enforcement authority, under Ohio law.
